ADD INSTALLATION

REGISTER INSTALLATION

To register your boiler, please enter an installation name as desired (e.g. „Boiler family Doe“), the serial number of your Internet gateway and the system code of the control unit. Then select your country and click on „ADD INSTALLATION“. Afterwards you can start operating your Hargassner system.

You can see the serial number of your Internet gateway on your Internet gateway.

To see the system code of the boiler, go to Information in the settings on your system display. Click the up arrow a few times. The system code is displayed here.

ADD PERSON IN CHARGE

ADD PERSON IN CHARGE

To change to the settings for a person in charge, click on the items shown in the upper right corner, then the menu will open. Select „SETTINGS“ here.

Click on the + to add a person in charge for your installation.

SEARCH FOR PERSON IN CHARGE

Enter the e-mail address of the new person in charge and click „Add“.

Note: To ensure that the APP is able to find your desired user, he must already be registered in the Hargassner APP. If this is not the case, your user must first carry out the items „DOWNLOAD“, „REGISTRATION“ and „REGISTRATION FORM“ described above. Then the APP will find your user and add him automatically to your system.

OPERATING THE APP
